AMERICAN BEAUTIES

With all due respect to Kenny (Volume 22 Issue 7), and his suggestion that *MensWorld* run a competition between the British and American girls, I don't think it would be much of a contest now, do you?

Although we do have Sasha, who is a very welcome newcomer to the scene, and Gemma Massey, who I'm a massive fan of, I don't think there's enough strength in depth on the British side to compete with the Americans.

Where we struggle to muster a couple of fresh models every year, the yanks seem to manage a couple of gorgeous new girls that I've never seen before for every issue on the magazine.

Take Eden, for example, from Volume 22 Issue 7. She's a cute and very natural girl who easily matches Gemma and Sasha for sexiness – although I'm not so sure about her rubbish tattoos! – and Mackenzie has tits that you could suck on all day long – even covered in soapy suds, as they were in the last issue.

So no Kenny and *MensWorld*, I don't think a competition between American girls and British babes is a good idea, because I think they'd give us a good thrashing!

Martin, Eastbourne

Crikey Martin, that's not very patriotic! But we get your point, America produces a lot more hotties than this tiny island of ours. However, if it comes down to quality over quantity then surely the likes of Gemma and Sasha would stand up against the yank onslaught. Who knows, maybe we could draft in the European girls and make it like the Ryder Cup rather than just little old Britain versus the might of the US.

HEAVEN AND ELLE

I'm just writing to say how good it was to see Elle return in Volume 22 Issue 7 of *MensWorld*. I seem to remember her emerging on the scene around a year ago looking absolutely incredible before disappearing almost as quickly as she'd arrived.

Well, I think it's safe to say that she hasn't let herself go during her hiatus, whatever she was up to, and if anything Elle looks hotter than she did when I first clapped eyes on her.

Perfect tits, a beautiful slim and shapely body, really gorgeous eyes, and you had her decked out in kinky undies! Awesome. Please don't let her disappear from the scene again!

Tom, Wincanton

You're right Tom, Elle did go AWOL for a while. I remember it well, she wouldn't take our calls, wasn't getting in touch with any photographers – she basically just vanished right off the radar! We were tempted to send a search party out for her, or to put Interpol on the case. When we asked her about it at the shoot Elle just said that she'd been 'doing a bit of gardening' and smiled, so read into that what you will, but we have a source that thinks she spent all her modelling fees on exotic holidays and general globetrotting.

Whether that's the case or not, it's still brilliant to have her back, although maybe this time we'll have to pay her less so she can only afford to go as far as Wales. Either that or lock her in a cupboard…

LESBIAN LUST

Seeing Monika and Suzie going at it in Volume 22 Issue 7 really got me thinking – why don't you do a *MensWorld* girl/girl special? I don't think you've ever done one before.

You only seem to print one such set in every issue, which is mostly okay but often isn't enough for me. Don't get me wrong, I love the solo model pictures as you get the chance to enjoy the girl's body properly, as it were, but sometimes you can't beat the sight of a couple of beautiful women sucking eachother's tits and – nearly – licking one another's pussies. So go on, you've done a 'Blonde Special', why not a 'Girl-on-Girl' issue, too?
Harry, Bispham

It's a nice idea Harry, and don't think we haven't considered it before. What we're worried about is that many of our other readers might not want an issue completely made up from sets of girls getting it on with girls, and we'd need to get much more feedback on the matter before we could commit to a lesbian special. So come on, if you want it, please ask for it! Harry did.

LACIE

PHOTOGRAPHY: HICKS

Here at *MensWorld*, we love poring over the Wikipedia entries of porn stars. They're usually a mish-mash of half-facts, bullshit, wild speculations and things that beggar belief. Lacie Heart's, however, is intriguing. Is is true that she plans to be a museum curator after she retires from being cocked? Does she really commute from Arizona to LA (to be cocked)? We thought we'd ask her...

"Yes, it's all true!" the lovely Digital Playground contract girl confirms. "I don't like LA traffic, people or culture, and I grew up on a ranch, so I'd rather fly in to get fucked than deal with it every day. And yes, I plan on doing porn for a few more years, studying in the meanwhile, and then I'm hoping to work in a museum. Any other questions?"

Just one. How do we get into working in museums? In Arizona, preferably...

SLEAZE-BALLIN'!

When my new boss' assistant introduced me to our colleagues, she snuck in a warning about Tom being the office sleaze-bag. Privately, I thought a bit of sleaze was what I needed so, when he tried it on with me, I went for it. He seemed very confident and I soon learned why. He had the biggest cock I'd seen in a long time, and against his slender build it looked almost freakishly huge. "Want to suck on this?" he grinned. Charm wasn't his strong point, but I didn't care. I crammed in as much of it as I could, opening up my throat for a deeper dip.

I sucked him hard and vigorously, slurping loudly, lips squeezing his shaft. He didn't tell me when he was just about to cum, but I tasted it, felt his balls bunch in my hands. I wondered how much a guy could cum in one go, but I managed to collect it all in my mouth, showing him before I gulped it down.

He said the office needed a slut like me, and it was obvious I gave every bloke there a hard-on. "Right now, I want this hard-on," I told him, rubbing it over my tits and face. He laid back on the desk and told me to climb on.

I was hyped up, already close to orgasm, so I worked his cockhead against my clit, finishing the job. Then I sunk down and rode it, grinding down hard on each stroke, then snapping tight around him as I pulled upward. He tried to keep up the act, like he and his monster prick were doing me a favour, but I was fucking his brains out here.

Now he started bucking under me, thrusting up as I slammed down. I had my fingers wedged against my clit, letting the motion build the friction. And, as my twat seized up then pulsed around Tom's shaft, I heard him groan. He didn't cum just yet though, it took a few more minutes of me slamming down as hard and fast as I could to squeeze another load out of his balls. I took it deep in my pussy, then moved up over his body, smearing him all over before settling on his face. I let him swallow it all down as he gave me another orgasm.

We've been fucking ever since then – nothing serious as Tom likes to think he's playing the field. But my hot, tight pussy and appetite for cock keep him coming back, and his big dick holds a similar attraction for me!

SHARING THE GOODS!

Recently, my boyfriend Jake confessed he'd shown his mates the naked shots of me on his mobile phone. They'd been impressed, so I said we should up the ante and take a bunch of shots with his cock in my mouth. No surprise my fanclub wanted to meet me after that, and they arrived to find me naked but for my spike heels and jewellery – I didn't think they'd recognise me clothed! Oh, did I mention we were swingers? I guess that's obvious now!

I was horny, wet and ready for whatever action they wanted, and the first to grab me was a lad named Matt, who bent me over the back of the sofa. As his dick ploughed every inch of my fanny, I looked over at the other guys, pointed at Eric, and told him to get his dick in my mouth right now.

Jake was merely a voyeur – he'd get his turn later. It must have been hell for him to watch and not even wank his dick, but I got off on knowing that watching me was driving him crazy! As I slid Eric's pole between my lips, Matt kept it slow. No matter how hard I squeezed his shaft with my tight muscles, he just stirred around inside. So I focused on Eric, sucking and tonguing his prick until a salty, savoury taste filled my mouth. I had one hand stroking his shaft, one cupping

and massaging his nuts – then suddenly he was emptying them down my throat.

Matt's thrusting was less controlled now, and he hooked an arm under one of my knees, raising my leg up. I felt his balls swing up to thud against my pussy as he pounded me deep, Jake moving to get the best view. Now Matt's body tensed and shook as his cum spurted into my cunt. Feeling the hot flood, I frigged my clit and was cumming in seconds, hearing Matt groan as my pussy clamped even tighter around his shaft.

The third guy, Will, had been staring at my tits all the while, so I dropped down to my knees, smothering my wetness on them, and telling him to stick his cock between them. His tool felt so solid and heavy as he shoved my tits around it, thrusting furiously till he shot his load all over them.

Time to put Jake out of his misery. I walked toward him and unzipped his jeans. Then I spun around and did a little bump 'n' grind over his crotch. The slightest brush of his cockhead against my pussy and he was cumming all over my crack. I got so well fucked that, for the first time ever, my pussy was too tender for a morning shag with Jake the next day. He got a blowjob instead!

STRIP POKE-HER!

I've only ever fucked men but I find women very sexy too. I discovered this while watching porn films belonging to an old flatmate of mine who left them when he moved in with his missus, and in the last year I've pushed things a little farther by going to strip clubs. It may seem weird to some blokes, going to a strip place and seeing a single woman sitting there, sipping a drink as she watches the girls shake their boobs and bums. But I kind of like the idea that they know it's getting me horny.

In recent months I've worn a sex toy in my pussy, usually love-eggs or a short, stumpy dildo that fits all the way inside of me. Then I can writhe around against my seat, fucking myself as some beautiful girl with a perfect body humps her cunt against a chrome pole or shakes her boobs or arse in my face.

If I want to give myself a real treat, I'll have a private dance. The best one so far was from this Latin student, Carmela, who had the most fuckable arse in the world. Her cheeks were huge and round, yet hard enough you could bounce 50p coins off them.

She had little white pants pulled up tight between them, and garters stretched almost to breaking point over them. She bent over and peeled her pants down, stretching them back so I could take a sniff of the juices on them – she was as wet from this as I was.

Sorry, guys, I did mean it when I said I've never fucked a woman and this time was no exception. It was all look – and maybe sniff – but don't touch, and that rule applies to female customers, too.

Of course, I could take home any man I wanted, and I found some horny lunk who was up and ready for action. Good thing I don't live far away or he'd have shagged me up against the nearest wall, no matter who came by and saw. Instead, he bent me over the couch, knickers down, and we both fantasised about the sexy girls we'd seen dance, especially Carmela, as he slammed deep inside of my cunt.

It was the ultimate combination for me, a hard length banging in and out my soaking wet hole, and just that faintest trace of pussy-scent left tantalisingly in my nostrils. I came so hard before he spurted his jizz deep in me.

I'm not sure if I want to fuck a woman for real – it might spoil the nasty fantasies I have about it. But at least it's guaranteed that I'm going to get laid if I go on the hunt for dick in a strip club!

AUDREY

PHOTOGRAPHY: HOLLY RANDALL

Audrey was one of the stars of the rather excellent porn movie *Big Tits Like Big Dicks*. We liked it when she did the sexy thing with the pink bits in it. It was nice. But it also threw up a philosophical conundrum: Can tits actually 'like' something? If so, does that open the door to fannies expressing a preference? Next thing we know, are bums going to say 'we only like short, thick dicks, uncircumcised, preferably'? If big tits like big dicks, as the film reckons, does that mean those of us with only small or medium dicks aren't allowed to put them near big tits? What happens if we do? Do the boobs disappear? Does the dick disappear? Does it follow that small tits like small dicks? Do fake tits only like fake dicks? What would happen if you combined medium dick with big or small tits? If a big dick meets some big tits in a forest and no-one sees or hears them, do they make a sound? How exactly is this preference of big tits for big dicks expressed? Vocally? Added perkiness? Do they nod imperceptibly? We were going to ask Audrey Bitoni, star of that movie, what her answers were for all these questions and more, but she hasn't called us back yet.

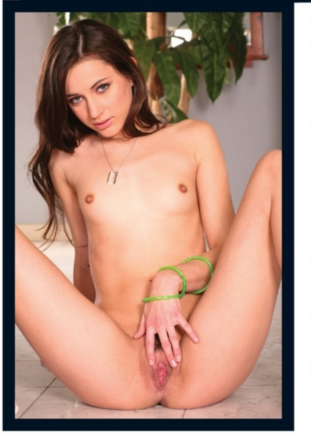
SEXUAL RELATIONS!

The family that lays together, stays together? Don't worry, our US porn correspondent finds out that Smash Pictures latest opus isn't about incest, just about red-hot fucking and sucking. Phew…

Friends and Family
Starring: Lisa Ann, Carolyn Reese, Georgia Jones, Mallory Rae, Ashlyn Rae, Miko Sinz, Tiffany Star, Prince Yahshua, Evan Stone, Mark Davis, James Deen.
Directed By: Jim Powers.
Available From: Smash Pictures.

In today's modern world, the stereotypical view of an American family, consisting of two children, a Labrador retriever, and a white picket fence has become obsolete. Instead, the typical families of the 21st Century are as diverse and blended as the trendy frappuccinos that people clamour for every morning. From adding adopted children to the household, to families with two mothers or two fathers, the only thing that remains constant are the hidden secrets that no family is without. From clandestine affairs at the office to lusting after the neighbour's hot teenage daughter, desire remains the catalyst that seems to make the world spin on its axis.

In an effort to bring this new family dynamic to life, award-winning director Jim Powers has aligned with Smash Pictures to create *Friends and Family*, a movie that exposes the new American standard. With an incredibly blended cast that includes porn superstars to new kids on the block, Powers digs deep to plant a family tree that is ripe with possibilities. It's time to sit up straight and mind your manners because your lesson in family unity starts now.



Without skipping a beat, Powers is on top of his cast and crew. With an early call time, everything is up and running ahead of schedule while Mallory Rae sits on the sidelines eager to fuck. In this particular setup, Mallory has just excused herself from a study session with her girlfriends to use the restroom. On her way down the hall, Evan Stone, her friend's father, pulls her into the family room.

Hot for older men, Mallory tears off her denim shorts and sprawls out on a leather sofa with her legs spread wide. Coaxing him in with her finger, Evan's cock practically rips a hole through his pants in an attempt to get at Mallory faster. With the element of risk making their encounter even hotter, Evan squats on the floor and sticks his tongue deep inside her teenage hole. "Fuck my hole deeper, Mr. Stone!" Mallory whimpers, while she sinks her pink nails into his hair. As can be expected, his expert tongue has her coming all over his mouth and seems to shock her a bit in the process.

"It's your turn," Evan continues as he jumps on the sofa in a plank position to siphon his hose down her throat. She unlocks the hinges of her mouth and allows him to go balls deep. "I can see you've done this a time or two before," Evan jokes as he rests her leg on

The world's strangest conjoined twins!

Some guys always get the tough jobs!

his shoulder to exercise her hairless hole in missionary position.

Not yet accustomed to the size of his meat, Mallory bites her lower lip and tugs on her nipple points until her pussy is good and stretched. In a short while, her pussy is ready to go. From here, Evan flips this little fish in a myriad of positions. Their best display, however, happens when Evan contorts Mallory on the floor in pile driver to give her a dose of his big daddy love. After a few more pumps, the first scene ends with a showering of splooge across her silky slit. Hot!

Little do the fuckers know that James Deen, the brother of Mallory's study buddy, has been spying and jerking off to their extracurricular activity. Miko Sinz, who is James' adopted sister, catches him spanking his monkey. In an effort to keep this secret from their mother, Miko and James decide to talk things out in her bedroom.

As one thing leads to another, Miko and James get frisky. Miko eventually falls to her knees to suck on James' wang. With a pretty Asian mouth that is prime for porking, James slowly glides his joint in between her lips. Her candy pink tongue flicks and licks the underside of his shaft, as her hands begin to massage his balls. "Fuck, I've always wanted to do this," James says while watching her cheek round out with the head of his helmet.

After several more minutes of solid sucking, James rests Miko on her back and decorates her clit with spit before gliding his cock inside her saucy wanton. When his execution fails to impress, Miko begs him to do her harder. Having no problem with rough sex, James grants her requests and seems to fuck right through her. At times, it seems as though the bedsprings are moments away from unraveling! "Come on baby, give it to me harder!" Miko continues, as James' balls begin to tighten.

When finished in this position and several others, Miko hops on in reverse cowgirl to finish things off. She bucks and rides this experienced stud and eventually sucks up the creamy fruits of her labor when he splashes his spunk across her pearly whites. "Wow, that was really good stuff," Powers compliments as Miko bends for her admirer and takes a bow.

As the story continues, Mallory and Georgia Jones are back at the Stone residence. With Miko away, Georgia begins to tell Mallory that she's really into girls. When she tries to hit on Mallory by giving her a little kiss, Mallory freaks out and exits the room in a hurry. Feeling rejected and vulnerable, Lisa Ann, the matriarch of the house, steps in to console the weeping teen. After discussing lesbianism with Georgia and getting a welcoming response, Lisa Ann steps in to seduce Georgia into lesbian play.

The scene begins with lots of tongue kissing that the camera is quick to hone in on. With lovely spit stringers connecting both sets of lips, the girls continue their exploration of each other by decorating other parts of their bodies with dribbles of spit and plenty of kisses.

"Would it be alright if I kiss you there?" Lisa Ann asks. Georgia nods her head and opens her legs for Lisa Ann to come inside and play. In an effort to keep her new plaything teased and interested, Lisa Ann starts by kissing the soft skin of her inner thigh and gently pawing at her pussy with her fingers before skating her tongue across her clit. She's met with gooey cunt gloss, as her oral play becomes much more forceful and intense.

Once oral is given to both cunts, Lisa Ann brings out her array of vibrating dildos and has a blast plugging and

chugging on her new friend. "More. Give me more!" Georgia screams, as the toys have her chasing her orgasm all over the colorful bedding. From here, the two ladies have a blast connecting their crotches together with a double-sided dildo. They end their scene with scissor-crossed legs and connected crotches that leave the sheets a soggy mess!

When Mallory goes back home, she learns that her little sister, Tiffany Star, has been carrying on a torrid love affair with an older black guy who just happens to be the janitor at their college. Wanting to sneak out to go get another bite of her chocolate bar, she devises a plan to fool her parents.

As soon as Tiffany walks through the door, the game is on. Prince Yahshua has been anticipating her arrival. Her clothes are flying in all directions before she even crosses the threshold. Once naked, Prince rests her on the sofa and goes to work on her beaver. He eases his tongue in and out of her little hole before stuffing her up with a flurry of fingers. "You can do better than that," she teases, obviously anxious for his nightstick.

Deciding to make her wait a little while longer, Prince decides to get his knob polished first. "It's only fair," he jokes, as Tiffany begins her long journey down his pipe. With bugging eyes and a face full of drool, Tiffany settles on top of his lap in cowgirl position and begins to exercise her pussy and her legs. When all that she's got proves to not be quite enough to satiate this stallion, Prince grabs the fleshy curves of her hips and fucks her hard from underneath. She has no choice but to sit in place and take his dark thunder. "Ahhh," she eventually screams, when his full frontal assault has her creaming her excitement down their legs.

Once both crotches are wet, Prince picks Tiffany up and spins her head over heels. Now in a standing 69 position, both get the opportunity to lick up each other's junk. "Fuck, this is some tasty white pussy," Prince compliments as his loud lip smacking fills the room. After several more acrobatic positions are laid out, Prince pulls out and shoots his mocha froth all over her pretty hole, ending my time on set.

IN A STANDING 69, BOTH GET THE CHANCE TO LICK UP EACH OTHER'S JUNK

Regretfully, I miss an additional scene that has naughty Ashlyn Rae climbing into Mark Davis and Carolyn Reese's bed to get frisky with both. What transpires is supposed to be one of the hottest scenes captured in this production. After the incredible sexual displays that occurred today, it's hard to imagine a scene being even hotter than those I witnessed. The good thing is at least there will be a notable surprise waiting for me once the finished projects hits my desk. With tidings as sweet as these and the tingling in my panties that has yet to go away, Smash Pictures has hit a homerun with this production. They prove that with *Friends and Family* as fine as this, who needs enemies?

KRISTINA

PHOTOGRAPHY: ANDREW HAYEK

Hot tubs don't come cheap. So we're assuming Kristina either earns a ton of money, inherited it, has married well, or stole this off the set of *Hot Tub Time Machine*. Time to fess up...

"None of the above, you nosey boys," she giggles in a way that makes blood rush to certain regions. "We just borrowed it for the day from someone the photographer knows. It's lovely though – I wish I could afford one. The problem is, after the shoot, I invited a girlfriend over to party with me in it and we got so carried away fucking and drinking fizz in there that we got all wrinkly. We looked like a pair of old women."

We can't imagine that being the case.

"It's true. So here's a public health warning from me: Hot tubs are lots of sexy fun but don't stay in till long!"

Yes, we can just see that on a sign...

HARDCORE PICS
WWW.PAULRAYMOND.COM/MENSWORLD

It's been a while since Euro sweetheart Suzie Carina last graced the pages of *MensWorld* and, to be frank, we're hurt.

"It's nothing personal, guys," Suzie says soothingly. "But I'm a very busy girl. My film career has been really keeping me busy, mostly because I'm a girl who can never say no!"

You're making a stack of money, we assume?

"It's not the money, honey," she giggles, "it's the sex. I'm at home, a producer calls, do I stay their watching TV and doing cleaning, or do I go on set and have my pussy stuffed with cock or maybe get a mouthful of pussy myself? Hmm..."

Yes, tough choice. But if we called you, would you come over and do us? We're terribly nice.

"Well, I'd have to weigh it up. It's a long way, the Euro isn't good, you might not be as good at sex as the studs and starlets I work with. There's a lot to consider before I just come over there to fuck you."

Well, as long as you're considering it, consider us very happy people indeed...

MENSWORLD BRINGS TOGETHER TWO RIVALS FROM THE WORLD OF SHOWBIZ AND LETS THEM SLUG IT OUT OVER FIVE GRUELLING ROUNDS...

This Month: Festival Season Special – Lady GaGa vs. Katy Perry

Pedigree

GaGa

Stefani Germanotta, as the lady was known before she went GaGa, worked as a songwriter for Britney Spears before she made it big herself. As of May this year, she'd managed to shift an incredible 15 million albums and 40 million singles.

During a recent public appearance in Doncaster, where the successful pop siren was opening a new branch of Brantano, GaGa stated that it was her goal to: 'Revolutionise pop music, a bit like Bananarama in the 80s'.

Perry

Before she made it big with the 'lezploitational' hit *I Fingered a Girl and I Liked it* in 2008, Perry had previously been dropped by more record labels than 2004 *X-Factor* winner, Steve 'Church Fetes/Supermarkets/Romford Christmas Lights' Brookstein.

Perry learned to sing in her parents' church – they're both Pastors – and released an album of gospel songs in 2001. It was a flop, and her first mainstream single *Ur So Gay* also bombed, despite its happening use of 'text speak'. Fame finally came when she began pretending to be a dyke and wearing small dresses.

Round 1: Perry's breasts and lesbo stylings have won her a legion of fans, but she's never opened a Brantano. GaGa takes the first round.

Fashion Sense

GaGa

Lady GaGa is famed for her outfits, and regularly sports PVC undies, bubble-wrap dresses and a hat shaped like a telephone in order to try and disguise the fact that she's got a big nose. After fans sighted something poking from beneath her frock during her set at the 2009 Glastonbury Festival, rumours began to circulate that GaGa has got a small penis that she tethers with masking tape before shows. This time it failed, causing her 'stump' to pop up and wink at surprised revellers.

Perry

Perry enjoys combining vintage fashion with bright colours, something that Oriental Fashion Guru Gok 'Cock Shock' Wan would no doubt approve of this season. Perry is definitely the kind of girl that we'd like to see 'Looking Good Naked' in Debenham's window, rather than some fat cow with more tyres than the Michelin Man.

Alas, that's unlikely to ever happen, unless her career really does go to shit or she releases a fragrance and has to flaunt herself like a shameless whore to flog it.

Round 2: Although GaGa is a fashion icon for girls all over the world, we doubt too many women would want to take to the high-street giving the impression that they're 'packing'. Perry levels the contest.

Singing Ability

GaGa

There's much more to Lady GaGa than just hanging around in her bra and knickers looking all pale and moody. She can sing a bit too, proof of which can be found on many of her hit records, which definitely include *Poker Face* and *Just Dance*. Her voice has been compared that of Grace Jones and Blondie, and her appearance to a cross between Madonna and a 'Copacabana' era Barry Manilow.

Perry

In between vapid proclamations to the media that she fancies some such female celebrity or other, it recently emerged that Katy Perry can sing 'quite well', albeit only about fanny. Rumour has it that she only stopped performing gospel songs because she was kicked out of the church for squeezing a line about wanting to suck on her best friend's tits into a solo rendition of the classic number, *Kum Ba Ya*.

Round 3: Only a small part of these two girl's acts is actually about the voice, but in amongst the fashion, the outspoken comments, and suggestions of bisexuality, it's Perry who has the gospel range.

Sex Appeal

GaGa

It's difficult to escape the fact that Lady GaGa has a nose that looks like she's glued it on as a joke, but apparently there's a lot of blokes out there who love nothing better than a girl with a large, misshapen hooter.

She's also got a fantastic body that she isn't shy to show off, meaning that fans who don't like big noses can feast their eyes on that whilst conk freaks can simply sit there agog and fantasise about what it would be like to bat their erections against her monumental beak, or make love to one of her nostrils.

Perry

Large tits and a shapely figure mean that Katy Perry will always be a number one hit with the fellas, whether they like her turgid songs or not, and she's always happy to reveal plenty of flesh in music videos that leave little to the imagination and which often feature a bit of pretend lezzer action.

As far as rapid-fire three minute MTV wanks go, Perry is perfect fodder with her blend of ample cleavage and sapphic tease, but to enjoy her fully you'll have to try and forget the fact that she's currently engaged to hairy comic Russell Brand, and that his alleged withery little penis has probably been there many times.

Round 4: Conk fans rejoice, as GaGa bags the round by virtue of the fact that we don't think she's ever been penetrated by Russell Brand.

Lesbian?

GaGa

She's confessed to being bisexual and told *Rolling Stone* magazine in an interview that her boyfriends are often intimidated by the fact that she's 'into women', meaning all the signs point to GaGa genuinely being at least half a lesbian. If sightings of a stumpy cock about her person are confirmed, then there's even the possibility that she could fuck another woman, which is both impressive and unusual.

Perry

Her 2008 smash hit album was called *One of the Boys*, and she recently 'Twattered' that she has a crush on Cheryl Cole, so you could be fooled into thinking that Katy Perry is a raging dyke. Alas, the BBC's *Watchdog* programme investigated Perry's antics and found her to be simply 'using bi-curiosity to sell', and recommended Trading Standards close her down for two weeks pending a full inquiry.

Round 5: 'Faux lesbian' Perry would run a mile if GaGa threatened to *Poker Face* with her miniscule lady penis. GaGa is the lezzer real-deal and takes the final round.

Result

Two pop titans, but there can only be one winner, and Lady GaGa narrowly comes out on top, albeit on a slit decision. Perry's flimsy lesbian credentials saw her on the ropes against her bisexual opponent's staunch sapphic pedigree, and although a superior chest and splendid bum saw Katy produce a spirited comeback, the 'Poker Faced' starlet swiftly quelled it with the use of her 'mystery appendage'. GaGa by a nose.

The *MensWorld* offices are often home to the most frightful and fiercesome rows over who will be that month's centrefold. Pensman Loxy will argue the case for this or that girl. Jar Jar Jenkinson will pick whichever girl gives him the best semi-on. And Natalie will get all lezzy and drool over one choice lady. Of course, the boss could just pick it, but then it'd be like Stalin's Russia all over again.

So we thought we'd open it up to the girls – the enviable prize of a *MensWorld* centrefold goes to the girl who offers us the greatest present. We were expecting generous offers of blowjobs, reacharounds and perhaps a nice basket of Molton Brown toiletries. Some hope.

Lacie Heart ensured she came last with an offer of a DVD she was in that we already had. Audrey decided not to enter because we kept asking her questions. Suzie Carina offered us the contents of her Paypal account: $2.48. Kristina some sun lotion she'd won in a charity raffle. Paloma had a used vuvuzela and Riley Ray a tomato plant. Adrienne and Eva clubbed together to promise us a meal at Little Chef. And Capri? 5 unused scratchcards. Who knows, this month's centrefold could have made us very rich indeed!

FUCKIN' FUNNY!

SPOOF FILMS ARE ALL THE RAGE IN US PORN AT THE MOMENT, SO WE GET A CLOSE UP LOOK AT SITCUMS AND THEIR TWAT-FILLED TAKES ON COMEDIES PAST AND PRESENT...

Situation comedies have long been a staple of television entertainment, from old classics like *Steptoe & Son* to more recent hits like *Friends* and *The Office*, so it was only a matter of time before the perverts in porn valley decided to give the boob tube a more literal translation. The results have been devilishly dirty, but nobody has landed more solidly in the Promised Land of sitcoms than director Will Ryder, who is leading a new gold-rush of adult movies.

"I think we fell into this comedy thing a little bit by accident," Ryder says from his *sitcums.com* offices at Hollywood and Vine. What Ryder and his producing partners Scott David and Jeff Mullen have done is nothing short of a juicy miracle. David (a former hair stylist) and Mullen (a professional musician) first produced a couple of forgettable porn movies, *Pornstar Popstar* and *Chloe & Rose: Fucked up Adventure*, years earlier before fate struck them right in the crotch. A new girl named Jessica Sweet walked into their office on a model go-see and Ryder immediately pictured her as a Britney Spears look-a-like; that night the idea was born for their *Britney Rears* feature. The spoof of the pop princess went on to become one of the biggest selling movies of 2005, spawned a series, and suddenly Ryder was an 'overnight' success.

Fast forward to 2010 and the director now has some of the biggest-selling porn movies of all time under his belt. Working with both beautiful bona fide superstars and some horny girls barely ready-to-shoot, Ryder has reworked some US television classics and turned them into pure porno gold.

"We believe you can laugh and jerk off at the same time," he jokes prior to a casting call of four new girls. Some guys have all the luck and Will Ryder is living the high life after winning the 2009 XBiz Director of the Year Award. Let's take a look at some of his recent sitcum gold.

Not the Bradys XXX: Who hasn't watched an episode of *The Brady Bunch* and lusted after Carol Brady or wondered what Marcia would look like with a big cock in her mouth? One look at this hilarious romp will bring to life all of your fantasies. It's fun but we're not talking about some cheesy mockery of a TV show, rather a skillfully put together work that's a pornified representation of the original show... if television showed pussy, tits and arse.

Facing financial difficulties due to slow business at his architectural firm, Mike puts the household on a budget and the kids decide to help out by taking on odd jobs, holding car washes and pitching in wherever they can to help save the family house from bank foreclosure. The entire family gets in on the act with pussy and cock flying around like baseballs at a ballpark. Aurora Snow, playing Jan, gets fucked by boyfriend Tee Reel in a scene that showcases her cocksucking skills as well as her tantalizing twat that gets spread wide open when Tee shoves his length deep

inside for a dirty grassy fuck. Her pussy juice coats his cock as they go through a variety of nasty positions including cowgirl, spoon and a sexy doggie romp that offers a spectacular view of her puckered arsehole.

Leah Luv, as cutie pie Cindi, trades cunt for cash – but neither that nor the fund-raising carwash raise enough money, so Marcia stars in an amateur sex flick to sell to a porn company for more cash. Superstar Hillary Scott plays Marcia; she is one of the dirtiest girls on the planet and certainly proves it in this scene. The action continues, there's a dream sequence, Ron Jeremy appears as Sam the Butcher and yes, Mom and Dad fuck their brains out too. Ewww! A sequel called *Not the Bradys XXX: Marcia Marcia Marcia* shot straight to #1.

JENNA SOLIDIFIES HER REPUTATION AS ONE OF THE GREATEST FUCKS OF ALL TIME

When you've got a winning formula, it makes sense to push forward and take the next step, which director Ryder did with the 2009 AVN Award winning best sex comedy *Not Bewitched XXX*. Darren (Mike Horner) and Samantha (Jenna Haze) have a big problem when Aunt Clara (Eva Angelina) can't undo a spell cast on Tabitha (Teagan Presley) that accidentally turns the toddler into an 18 year old hottie. With her birthday party looming, all hell breaks loose when nosy neighbours, the boss and even the police arrive. Wild sex, dirty witchcraft, perfect tits and pussy abound in this hilarious XXX spoof of the 1960's classic TV show. Nina Hartley is amazing as meddling Endora and the casting is perfect. It's loaded with superstars and anytime you can watch Jenna Haze, Teagan Presley, Eva Angelina and Sunny Lane all getting fucked you can't lose.

A few highlights are Teagan's AVN award winning scene for solo masturbation when Tabitha discovers her bald beaver and can't keep her dirty hands from exploring it. Presley also turns in a torrid fuck with James Deen, a doll that Tabitha used a spell on to turn him into a life sized man with a stonk-on. And don't miss Jenna Haze's performance as Samantha. When she offers her mouth and tasty pussy up for a morning bedroom bang with hubby Darren, Jenna solidifies her reputation as one of the greatest fucks of all time.

Her tiny bum rides high as she sucks his cock while her left hand cups his balls and her mouth and tongue dance up and down the sides of his rod. She teases his cock with her pretty pink pussy before slowly impaling herself on his shaft so her pussy lips can grip his cock as she rocks her arse up and down while a river of pussy juice drips down her crack and onto the bed. Unable to stand any more pleasure from her pussy, Darren erupts in a jizz bomb, leaving just enough time for him to dash to the office. It's a great movie with an engaging story and wonderful sex, worthy of all the hype. And unlike many modern sitcoms – never mind sitcums – delivers laughs too.

Our exclusive on-set glimpse at Sitcums concludes in the next issue of *MensWorld*…

THIS MONTH
ADRIENN
& EVA

PHOTOGRAPHY: GLOBAL

ADRIENN & EVA

Hi there, guys. My name's Adrienne and I'm a glamour model. I guess maybe you guessed that from the photos here of me and Eva, but it's good to clarify these things. Also, the other thing I am is a bit of a prude, which I guess sounds a bit weird coming from a girl who takes her clothes off and lets men photograph between her legs for a living.

Well, I suppose I am a bit of a hypocrite in that department – I act like a right slut when my work calls for it, but I'm a bit prim and proper when it comes to sex and relationships outside of the photographer's studio. I'm a one-man gal, no filthy stuff, and I like everything to be romantic and lovely – don't do one-night stands and I'd certainly never done anything with a girl before…

Well, you can guess what's coming next, can't you? Pretty obvious, when you look at the pictures. But yeah, before I was booked on this job I'd only ever done solo shoots, and I always turned my nose up at doing jobs with other girls (and don't get me started on boy/girl – I'm not putting a penis inside me unless it's connected to someone who loves me). But I really, really wanted a new laptop and I was offered a really good amount of money to do this shoot, so I weighed up my options: save for three months and get an okay laptop, or put my head between a stranger's thighs and lick her pussy and get a top of the line laptop on the way home…

So there I was at the studio and this very pretty brunette walked in. She told me her name was Eva and that she'd done plenty of girl-on-girl shoots in the past. I pretended I'd done one or two, there was no way I wanted her knowing she'd be my first. The snapper made us both tea and we got our make-up done, and all I could think was how I didn't want this girl I'd never met before to touch my pussy. I was single at the time, so it wasn't the issue of feeling like I was being unfaithful (which I would have done if I'd been going out with someone) but just the thought of doing that kind of stuff with a stranger. It's just not how I was brought up!

Anyway, we talked for a bit and I realised we had very little in common. She was quite vacuous, if harmless enough, but very attractive. I'd never even considered sex with a girl before,

HER FINGERS IMMEDIATELY SLIPPED INSIDE MY PUSSY

WWW.PDFMAGAZINES.ORG

and here I was, moments away from doing just that. And wishing I wasn't! Anyway, it was time to get down to it so we changed into our lingerie and plodded over to the corner of the studio where everything was set up for the shoot. I pretended to be totally cool with the situation, but really had no clue what I was going to do.

I was aroused at the sight of Eva's young, tight body and I was startled to feel myself get wet between the legs. I never get turned on like that on normal shoots, so I was quite flustered at the thought of her and the photographer seeing me all wet down there.

Eva grabbed me and planted a huge kiss on my lips. She forced mine apart with her tongue and slipped it into my mouth. I could hear the photographer snapping away, and then I felt her hands on my bum, spreading my cheeks apart. I was in shock! These were stills, and I thought we'd be posing sedately for them, but Eva seemed more intent on getting off with me and less on whether or not the pictures looked good. I worriedly looked over at the guy who was paying me to be there, hoping he wasn't angry, but he motioned at me to carry on and said something about it looking 'real'. Well, it was bad enough that I was having to do rude things with this girl, but for them to be real too? But then Eva put her hand between my legs...

My knickers had slipped to one side so her fingers immediately slipped inside me – I wasn't prepared for quite how wet I was. I gasped out loud and Eva pushed hard against me as we knelt on the bed together. Her fingers found my clit at once and she knew just what to do with it. She rubbed firmly, all the while exploring my mouth with her tongue. My head was spinning – in an instant I'd forgotten where I was or why I was there, all I knew was that a beautiful young woman was fingering me to orgasm and there was nothing I could do to stop it. Not that I wanted to!

I came in just a couple of minutes. Normally it takes me a lot longer than that, but this girl had obviously awakened something in me. I stifled a scream and bucked against her hand, clutching on to her toned body as she brought me to climax. And then, when I got my breath back, she lay back on the bed, spread her legs wide and

A BEAUTIFUL WOMAN WAS FINGERING ME TO ORGASM

pulled her panties apart to show me her immaculately-shaved pussy. She didn't need to tell me what to do. I got on my hands and knees and took my first ever taste of cunt – she was as wet as me, and the taste was like nothing I've had on my lips before. I stuck my tongue in and reached up her body to squeeze her pert tits, then licked and sucked like I was possessed. Eva moaned like crazy and pushed her hips toward me so her squelchy pussy rubbed all over my face.

I could hear the photographer snapping away while I made Eva orgasm. Her juices were all over my face and I had a feeling I didn't look my best any more, but I really didn't care. He wanted real, and he was getting it from us. As soon as Eva had finished coming, she got up, pushed me back on the bed and then turned me onto my front. Then she started licking inside my butt-crack – something I'd never let anyone do to me before! She snaked her tongue right between my cheeks and licked my hole, then slid a finger into it. This was a totally new sensation for me, and I reached my hand between my legs and started frigging like mad as she probed and kissed me there. I stuck my butt right in her face and she furiously tongued it – the feeling was a mixture of ticklishness and downright raunch. Before long, I was coming again. And then again!

Seeing as I'd had so many orgasms, I knew it was Eva's turn again, so I flipped her on her tummy and did exactly to her what she did to me. I had no idea what to expect but as soon as I buried my face between her buttocks and started licking I felt as sexy as I ever have in my life. A truly incredible experience. Of course, Eva was coming again in no time, and the pair of us just kept taking turns making the other climax for what seemed like hours. It got to the point where the photographer left us to it and went to watch the telly in the next room.

So, what's the moral of this story, readers? Well, one is that going down on a girl is the best thing in the world, although I'm not sure that's actually a moral. But not being afraid to try new things definitely is, and I'm gonna open myself up to lots more sexual experiences from now on. Literally!

PALOMA

PHOTOGRAPHY: PDL MEDIA

We first spotted Paloma at a party in London and knew we had to have her in *MensWorld*. You know those conversations you have where you're looking over the person you're talking to's shoulder the entire time because you're eyeing up a girl on the other side of the room? We did that. Normally, girls we approach with cards give us exceedingly short shrift, but Paloma jumped at the chance to show you her boobs and front bum, but especially her rear bum. Or 'bum' as it's more commonly known.

"Guys tells me I have a nice, trim bum," Paloma says, "and I don't like to be boastful, but I quite like it too, mostly because guys touch it all the time! I'm a bit of an anal sex addict, so my bum gets a work out whenever I fuck and that keeps in trim."

Yes, we'd give that arse a working over.

"Sadly I'm a one man a time kind of girl when it comes to sex. That said, that doesn't apply to blowjobs. In fact, when you guys first spoke to me at that party about *MensWorld*, I was just looking for a cock to suck. Know any that are hard and ready to be gobbled?"

Paloma, we reckon we know of thousands and thousands right this very minute...

FEMALE PLEASURES

I'm bi – mostly into cock, but sometimes only a juicy pink pussy will really satisfy me! So I tend to get it from one-night stands. One night, I got chatting to a girl named Leah at a lesbian bar and she introduced me to her girlfriend, Jessica. We were all three just in it for sex, so we went to their place, got naked and ended up on their bed.

I lay down, letting them play it their way, watching while Leah attached a big strap-on to her crotch. Jessica straddled my face, her pussy just slightly out of my reach, then Leah handed her a gold vibe which she stroked over her own clit.

Watching her frig off was such a turn-on. Juices welled up in her pussy then splashed down, so I opened my mouth to catch them. Leah was getting busy, too – I felt her kneel in between my legs and bump the strap-on up against my crotch. She shifted position, pushing my knees apart, so my snatch was stretched tight.

The toy was huge and though she'd lubed it, it took a few thrusts to get it inside of me. I took deep breaths, clenching and relaxing around the solid shaft, then Jessica sunk herself down on my face.

"Suck her good," said Leah, although it was more like swallowing than sucking, as the vibe buzzed against her clit and the cream ran out. I licked her, feeling a tingle in my tongue and then the spasm of Jessica's snatch around it. She passed the dildo back to Leah, who used it on my clit, bringing me screaming to orgasm as I fucked and bucked myself against the penetrating dildo.

Now Jessica and I had cum, we lay together on the bed, kissing and feeling each other up as we watched Leah bring herself off with the toys. And that was just the start of an all-night session that left my pussy puffy and tingling… But didn't stop me waking up with a massive craving for cock!

Nikki, Sydenham

NEIGHBOURHOOD CROTCH!

I've always flirted with my neighbour, Ross, and when I found out he'd be home alone for the weekend, his other half away on a girlie weekend, I made my move. He looked a little surprised, as he knew I knew he had a girlfriend. But resistance was useless – I'd caught him halfway through a porn and wank session, and he wasn't going to waste his stiffy.

I hit play and saw some blonde on screen, blowing a bloke with a massive dick. Ross and I stripped naked as we watched, and I got on my knees. His dick was hard, his helmet red and lickable! I played my lips against it, then took in more and more, giving him the wettest blowjob imaginable. He was taking cues from the screen, hand on my head as

the blonde sucked deeper. I figured I could suck any cock just as well as her. I blew Ross inch by inch, soaking my fingers in my pussy, then rubbing my juice all over his balls. His shaft was already drenched in my saliva. Suddenly he moved me off of his dick. It was twitching, but he held back and got me watching the porno. The blonde had taken a huge load of cum, all over her beautiful tits. That inspired me to take his spit-wet prick in between my tits, which are also pretty big, firm and natural.

Ross squashed them around his bone, as I rolled my nipples between my fingers. He called me a nasty slut, saying how he'd never cheated on his girlfriend till I'd arrived shaking my big tits. I told him to wait till he saw my arse – and how he'd think about it every time he was fucking her from now on. That really spurred him on and he spurted the biggest load all over my boobs – no matter how fast I rubbed it in, he just kept cumming more.

He went quiet for so long I asked should I leave. He shook his head and stuck his hand between my legs, fingers shaking as they probed my cunt. He was just spent – I don't think he'd cum so hard in a long time. We watched more porn together, and when he was hard again he laid me on the couch, legs up and back so he could put his arse into drilling me. I took his weight, fingers on my clit, prick so stiff inside of me.

I started cumming and couldn't stop, wave after wave. Then Ross tensed up and blew his load, spunk overflowing from my cunt. I did go home then – but he came over for more and stayed all weekend. He's not going to be my neighbour much longer, as they're moving away. But we're planning the sexiest farewell – one final night of the dirtiest sex either of us has had in our lives.

At www.yousharp.com men can book sex tours to the most luxurious and largest sex clubs in the world !!!

You Sharp
FLY TO PARADISE
Sex-Travelling to Germany

The time has finally come for what many men have only dared to dream about. YouSharp, a company based in Germany, is offering three to five-day sex trips to Germany. The largest and most exclusive sex clubs in the world represent the holiday destination. The price of the trip includes flights, transfer, hotel accommodation, daily visits to a sex club, all meals and drinks, as well as sex with up to 20 top models, among whom the guest is free to choose.

The sex clubs offer their guest relaxation and recuperation in luxurious internal surroundings with a surface area of 4,000 square metres, and sometimes over 20,000 square metres of open-air territory.

Word has already got around at many companies about "the slightly different form of travel". In fact a lot of companies are booking their business trips with YouSharp.

YouSharp's guests are enthusiastic about the pleasant and discrete atmosphere in the wellness and sex clubs. Guests are spoilt around the clock by over 100 naked international top models. Sex is included !!!

In particular English, Scandinavians and Americans are making use of YouSharp's one-off "all-inclusive" wellness and sex provision and treating themselves to an unforgettable experience.

The range of provision is unique and prices are reasonable. A trip from England is already available for booking from 1690 euros (just about 1390 GBP). For more information visit our website www.yousharp.com

Bubba Ho-Tep

Anchor Bay Entertainment, £19.99

Okay, so this movie first came out back in 2002, but it's just been released on Blu-ray format and more than deserves another mention based on the fact that it manages to combine Elvis, an evil Egyptian Mummy and flamethrowers. No mean feat.

Bruce Campbell, of *Evil Dead* fame, plays the original King of Rock and Roll who, after growing tired of the demands of fame and exchanging his identity with an impersonator, is now living in anonymity in an East Texas old people's home and contemplating the problems of aging.

However, Elvis's ponderous existence is soon rudely interrupted by the appearance of an Egyptian Mummy hellbent on killing the residents of the rest home by sucking the life-force out of them through their bumholes. Along with the help of fellow resident, Jack, who incidentally believes that he is President John F. Kennedy – despite the fact that he's black – Elvis must take on the evil Mummy armed with just a zimmer frame, some dodgy karate moves, and the aforementioned flamethrowers. Weird, funny, off-the-wall… *Bubba Ho-Tep* is all of these things, and with Campbell playing a reflective Presley to perfection, you can almost believe that the King is still with us and tackling Egyptian zombies. Well, almost…

Genius of Britain

4DVD, £19.99

From Isaac Newton and James Watt, to less popularised figures such as Alfred Russel Wallace and Paul Dirac, Britain can lay claim to having arguably the most important group of inventors and innovators in the history of the modern world – quite an achievement for such a small island.

Genius of Britain gathers together respected present day thinkers such David Attenborough, Steven Hawking and Richard Dawkins, and has them take a closer look at some of the most influential Britons ever to walk the planet.

From the first episode, which sees Attenborough examine the work of architect Christopher Wren and Hawking explain the genius of Isaac Newton, to later instalments, which take in present day innovator 'Mr Vacuum Cleaner' James Dyson looking at James Watt and his steam engine, and geneticist Paul Nurse telling the story of Alexander Fleming's discovery of penicillin, this is a fascinating and inspirational journey through some of the minds that have made Britain great and helped shape the modern world as we know it today.

Baseline

Optimum, £19.99

The 'Baseline' in question is a fictional nightclub in East London, boasting queues around the block and a bouncer called Danny (Freddie Connor), who keeps the drunkards in order and breaks up fights between rowdy regulars. Being a popular East-End club in a movie, The Baseline also attracts all kinds of dodgy geezers and scary gangsters, but our hero Danny is keen to avoid those characters because he wants to play it straight and has dreams of opening his own place with his lovely girlfriend Jessica (Zoe Tapper).

Alas, when Danny saves his not-so-squeaky-clean boss, Terry (Jamie Foreman) from a hitman who is shaping to blow his nut off, he's suddenly plunged into the underworld that he was trying so hard to avoid. After being promoted to manager on the condition he turns a blind eye to the shady goings on, Danny finds himself with his morals and both his life and those of his nearest and dearest on the line.

Also featuring Dexter Fletcher (Hotel Babylon) and former Super-Middleweight boxer Gary Stretch as a couple of shady gangsters, *Baseline* is a gritty and nicely-acted Brit-flick that is well worth a look.

Gathering together all the witty snippets, hilarious jokes, weirdest photos, craziest emails and random crap that they've found on the web, net nuts Ben Fry and Alec Jupp have created 96 pages of essential reading for shameless luddites who like a laugh and those who simply aren't prepared to trawl around for hours. THE PRIME MINISTERS
SEX TAPE
POLITICS, SEX & VICE
ALESKA DIAMOND

Quite hot on the heels of last year's controversy involving Italian Prime Minister Silvio Berlusconi and his alleged canoodlings with a call girl comes this spoof political porno from European giants, Private. The action surrounds an obviously very fictional Italian Prime Minister and his love of impressing visiting dignitaries with high-class hookers. Perfect for showcasing the talents of gorgeous Euro-slut Aleska Diamond, then.

She gets spit-roasted vigorously in a sexy maid's outfit by two cocksman before they plunder both her holes in a power-packed DP. Needless to say, the 'visiting dignitaries' are more than impressed by this insatiable girl's brand of hospitality.

The pornographic political intrigue comes thick and fast, with Hungarian hottie Cindy Hope taking a splash by the pool, Romanian strumpet Donna Bell getting plugged in a people-carrier, and Barbie White starring in a sizzling threesome on the PM's sofa, and that's just scratching the surface of what is a European porner-packed perv down the corridors of power.

Featuring great girls, some really hot outfits and undies, and the kind of hardcore shagging that you'd expect from a Private movie, *The Prime Minister's Sex Tape* is the kind of political expose we love here at *MensWorld*.

Lust
Wicked

Crammed as it is with girl/girl antics, you might think that this sapphic sextravaganza is only going be of interest to lovers of lesbian action. However, although *Lust* only features females fucking females, the quality of the pussy-on-pussy displays are absolutely top-notch, and even if you usually insist on a smattering of thrusting willies in your hardcore movies, you could find that this offering from Wicked Pictures still manages to warm your cockles.

Featuring the likes of Oriental stunner Asa Akira, tight-bodied Latina Lela Star, and blonde beauties Jessica Lynn and Breanne Benson, the girls gathered here for your viewing pleasure are some of the best in the business, and the fucking is both varied and passionate, as you'd expect from a Wicked Pictures production.

Star of the show, however, is the raven-haired hottie and Wicked Pictures contract girl Alektra Blue, who appears in almost every scene and gets licked and dildoed by Asa Akira, indulges in some saucy shenanigans with Breanne and the rather sexy Charlie Laine, and gets intimate with Lela Star. Put simply, this is suspender-clad sapphic shagging at its very, very best – a supreme treat for lesbo fans and a nice surprise for those who might not usually bother.

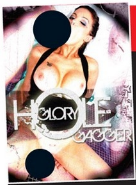
Glory Hole Gaggers

Killergram



For those of you not already in the know, a glory hole is simply a hole in a wall that blokes can stick their cocks through to be serviced by horny women – or men, but the less said about that the better – on the other side. Personally, I'd be worried about what might happen to my winky once I'd shoved it into the abyss, as it were, but there is a huge market for this type of activity, and glory hole fans should be more than satisfied with this offering from Brit-porn favourites, Killergram.

The action takes place in a very stark room with a toilet in one corner, and with a wall boasting several different shaped slots. Brunette babe Delta White is first to stroll into this 'lavatory of sin', rubbing her tits seductively whilst waiting for a cock to appear. A bit like buses, two turn up at once and she goes to work, sucking them alternately. Eventually the blokes come and join her in the room and we get 'through the glory hole' shots of her getting fucked over the toilet, which proves to be a central if rather static character in this movie. All in all, seven babes give us their take on how to handle the glory hole experience, siphoning off cocks from all angles and then getting fucked by the owners in person. Glory, glory, holellujah!

NOT SAFE FOR WORK

THE INTERNET IS USEFUL FOR A GREAT MANY THINGS, LIKE CHECKING THE LATEST NEWS, BUYING CRAP YOU REALLY DON'T NEED AND KEEPING UP TO DATE WITH YOUR VIRTUAL 'FRIENDS'. PERSONALLY, WE LIKE USING IT TO PLAY GAMES, LOOK AT PORN AND WASTE TIME WHEN WE SHOULD BE WORKING. HERE ARE SOME OF THE BEST SITES WE'VE FOUND...

STUFFONMYCAT.COM & STUFFONMYMUTT.COM

Cats and dogs around the world must be rueing the fact the Internet was ever invented, as there's now a whole load of websites out there where poor innocent moggies and canines are shamelessly victimised and tormented by their owners in the name of what us cruel humans call 'humour'. But hey, I guess that's the price these pampered pets pay for being fed and watered...

The rather unimaginatively titled sister websites *stuffonmycat.com* and *stuffonmymutt.com* are two of the very best when it comes to owners making their four-legged friends look stupid, featuring as they do a very simple but potent combination of cats and dogs with – yes, you've guessed it – 'stuff' on them, from items of fruit and remote controls, to piles of washing and fancy dress outfits.

It's a very basic concept, but it's also a very funny one, and I defy anyone with a sense of humour not to find a cat wearing 3D glasses or a dog dressed as Darth Vader reason to laugh out loud.

IWANNAGOTHERE.COM

iwannagothere.com
this is travel, not tourism

So, we're in the midst of the holiday season and it's definitely about time you took a break from the 9-5 rigmarole. If you haven't already plotted a couple of weeks away relaxing in the sunshine or perhaps doing something a little more adventurous and you're looking for interesting ideas, then a great place to start is at *iwannagothere.com*.

Put simply, this is a website run by a group of keen travellers where other keen travellers can share their holiday destination recommendations and experiences on everywhere from Abu Dhabi to Barcelona to Munich to Zimbabwe, and offer tips and hints on what to see, where to eat and drink and, best of all, reveal the little things that they personally loved about the place. Your adventure starts here...

PEOPLEISEEONTHESTREET.COM

The website formerly know as *peopleiseeonthetube.com* has, due to a little problem with Transport For London, decided to throw open its doors not just to the weird and wonderful characters people see on the various lines of the underground network, but to those we see everywhere and anywhere.

Some sightings are pleasantly humorous, like the bloke dressed as a cowboy in Sainsbury's, a chap who looks like Hulk Hogan, reading the paper, and the giant man with a tiny dog crossing the road. Others are a bit more pointed, and possibly what you could call cruel, such as a man singled out for being clad head to toe in pastel pink. This is enjoyable and observational humour that rejoices in the quirks of day-to-day life.

BROKENSECRETS.COM

BROKEN SECRETS

A website devoted to facts that you probably don't already know but might find interesting once you do, *brokensecrets.com* is the perfect place for gathering nuggets of information with which to enchant, surprise and bore friends down the pub, or indeed in any public place.

Did you know there was a giant underground vault located close to the North Pole that's used to keep backups of seeds in case they're wiped out in a global disaster? Did you know that one side of toilet paper is softer than the other? Neither did I until I found this site. Do you know why beer bottles are clear, green or brown? Okay, so you get the idea – this is a sometimes fascinating and fact-filled site where you'll leave knowing a lot more than when you arrived – for better or for worse...

2LEEP.COM

Santa maría del mar beach

There are quite a few websites around these days that offer a collective jamboree of weird news, funny pictures and interesting snippets, and *2leep.com* is one of the finest and most comprehensive. Laid out in a really easy to browse fashion, and updated continually with bizarre stories and offbeat news from around the world, an intended quick visit to this cornucopia of oddities and titbits can easily turn into a couple of hours, particularly when you start looking at the collections of images, which take in, amongst many other things, snaps of fit girls from all walks of life, photoshopped celebrities 'before and after' pics, a list of things you shouldn't be allowed to buy on the internet, and a woman with very long eyelashes. Learn, waste time, laugh... it's what the web was made for.

RILEY

PHOTOGRAPHY: SAGE STYLE

Riley Ray is as American as Uncle Sam, apple pie, world class barbecue cook-offs, endless wars, murder of the English language and more wars, this time about oil. She's also in love with English accents, which is why we ring her up and pester her all the time, pretending to be characters from *Brideshead Revisited*. You see, while Americans always gush about our lovely accents, that generally only applies to southerners. If you're northern, your average Yank will assume you're Australian. So it pays to play up the upper class angle, even if you were born in Cleckhuddersfax to a pack of stray wolves.

When we call up Riley, we pretend to have been to see Jemima at the gymkhana, to have lunched at our club in Fitzrovia with someone called Sebastian, and we talk airily about plans to pick up some cufflinks from a 'place we know' in Bond Street. She giggles at all this, asks us to tell her more, and we can only assume she's rubbing her lovely, frothy cunt the whole time. Yes, we feel cheap and we're betraying our roots, but if it gets us phone time with a vigorously wanking Riley Ray, we're in…

Nursing half a pint of best bitter in the deepest, darkest recesses of the magazine, it's our self-opinionated beer-addled font of all knowledge…

Current Affairs Corner

When there hasn't been some bloody sport or other on the telly over the last month or so, the landlord has had those revolving news channels on that repeat the same stories non-stop for 24 hours. Honestly, whatever happened to Jan Leeming and the six o'clock bulletin? That's all we really needed.

Anyway, I saw a report, I think it was on the BBC, about how we should cut the drink-drive limit, and personally I think it's a bloody good idea. Not only would it help save lives, but it might get people visiting their local a bit more often.

Round here, we've had The Griffin, The Punch Bowl and The Grapes close down in the last couple of years, and it's dead in here half the time. People are buggering off to a Toby Carvery with their big car parks, the driver nursing a half, and not even bothering with what's on their doorstep.

I keep trying to get John to put food on anyway. Then I wouldn't have to go home for my tea…

Session Story

"I was reading in John's paper the other day while he went for a fag that these mugging scams are on the rise. Apparently the bastards have got a whole load of new tricks up their sleeves. They squirt tomato ketchup on people's backs and then nab their wallets while they're pretending to help clean it up, and then there's another one where they act up as tourists and ask for someone to take their photo while some other bugger comes up from behind and has away with their handbag or whatever.

If I ever get done by one of the scumbags they won't get much from me. There'll be my baccy, my papers, and at the very most a ten quid note. And if they try chucking sauce on my back they'll get a bloody good hiding for their troubles, too! I used to be in the army you know…"

MAX BYGRAVES

"What do you call two raincoats in a cemetery? Max Bygraves."

"Now I'm warning you, this one's a bit rude.

An old lady was standing at the railing of a cruise ship, holding her hat on tightly so that it wouldn't blow off in the wind.

A gentleman approached her and said: 'Pardon me, madam. I do not intend to be forward, but do you know that your dress is blowing up in this high wind?'

'Yes, I know' said the lady. 'I need both hands to hold onto this hat.'

'But, madam, you must know that your privates are exposed!' said the gentleman in earnest.

The woman looked down, then back up at the man and replied, 'Sir, anything you see down there is 85 years old. I just bought this hat yesterday!'"

Alcoholic Anecdotes

"The great Welsh poet Dylan Thomas once said that: 'An alcoholic is someone you don't like who drinks as much as you do'. A bit like that tight bastard Irish Dennis who comes in here and drinks six pints every night…"

"The late, great Clement Freud very wisely said that 'If you resolve to give up smoking, drinking and loving, you don't actually live longer; it just seems longer'. Well, my days certainly seem to fly by!"

Useless Facts*

(*Not Guaranteed Facts)

"The Greek national anthem, *The Hymn to Liberty*, has 158 verses. I don't remember their football team singing it all at the recent World Cup. They'd have had to delay the kick-off!"
